

Our sons...our brothers...our friends.

Their lives touched us all. Because, above all else, they were Americans. And now, in honor of their spirit and their sacrifice, the Vietnam Veterans Memorial Fund presents the official reproduction of our nation's most visited monumental sculpture. Created in the proud tradition of monumental bronzes under the supervision of Frederick E. Hart, the artist who sculpted the original.

The Official Vietnam Veterans Memorial Bronze. So powerful, it makes us all proud to be Americans. An enduring reminder of the principles we hold so dear.

The sculpture is individually hand-cast in cold-cast bronze, a special sculptor's blend of powdered bronze and resins, to capture every dramatic detail. And it is hand-finished to a rich patina to emphasize the character of the sculpture. Priced at \$295.

Shown smaller than actual size of 9½" in height.
